

Steps to Login into CodeTantra Portal

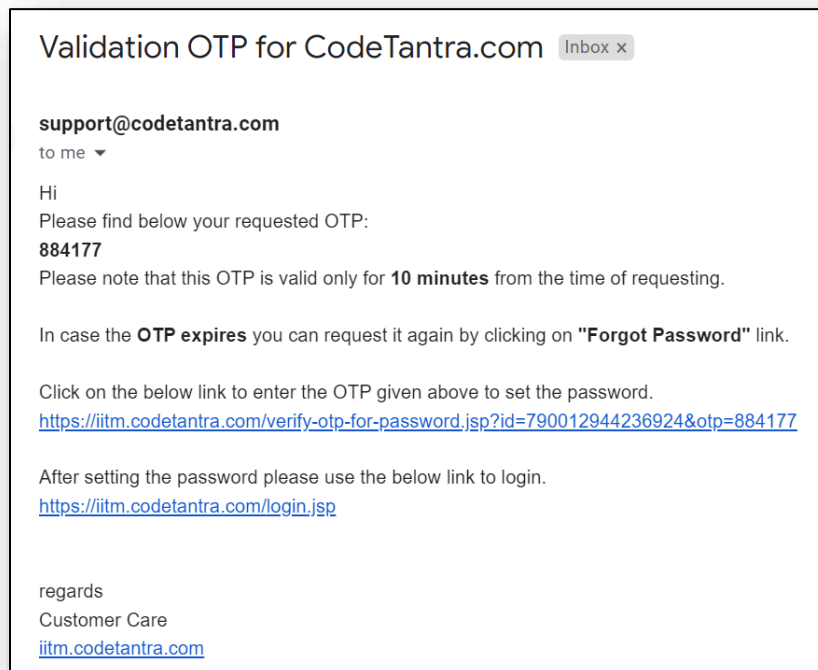

Correct Login URL - <https://iitm.codetantra.com/login.jsp>

You would have received an OTP from support@codetantra.com

NOTE: If you already have an account on CodeTantra you can use those credentials to login.

Steps to Set Password

- Step 1.** Search for a mail from **support@codetantra.com** in your inbox.
- Step 2.** Open the email, click on the first link provided in the email. A Sample OTP mail is attached at the bottom of this page.
- Step 3.** The OTP is already entered. If it is not entered, please enter the OTP, and click on Submit.
- Step 4.** Enter a password of your choice and retype the same password to confirm it and click on Submit.
- Step 5.** Congratulations! Your account is ready.

****In cases where** you have **not received the mail** from **support@codetantra.com**, or the **OTP expired**, or have **forgotten the password** - follow the steps below:

- A. Visit sign-in page <https://iitm.codetantra.com/login.jsp>
- B. Click on '**Forgot Password?**' on <https://iitm.codetantra.com/login.jsp> page.
- C. Enter your registered email id and click on Recover.
- D. You would receive an email with OTP from support@codetantra.com
- E. Follow the instructions in the mail to reset the password by clicking the 1st link in the mail.

****NOTE:** The validity of the OTP in above-mentioned cases is only 10 minutes.

NOTE: If you see an error as shown in picture, **ensure** that you are on the correct Login URL. If this error occurs even on a correct login URL, cross check with your college to see if you are using the correct email address provided to the CodeTantra team.
